

## Job Title: Spray Technician Assistant

Number of Hours per Week: 40

Mettech requires a spray technician to join our team.

Mettech manufactures advanced plasma thermal spray coating equipment and provides expert coating service, support and development to customers from a wide range of industries including aerospace, automotive, energy, printing, pulp & paper, mining, and metals & metal processing. Headquartered in Surrey, British Columbia, Northwest Mettech Corp. is a leader in developing thermal spray technology. Mettech is a pioneer in Axial Suspension Plasma Spray Technology with innovative liquid injection (suspension feeders) and surface engineered coating solutions

### What you will BRING

- Able to assist all operations required for completion of the job (grit blasting, masking, etc.) and make suggestions for improvements to run job more efficiently
- Able to do math, perform basic computer skills, and solve and troubleshoot problems quickly to keep production moving forward
- Keeping the shop area neat and tidy at all times
- A good hands-on aptitude
- Ability to work in a team as well as work independently
- A positive mindset and sense of excitement for being in the action everyday on-site
- A proven track record of team collaboration
- Familiar with common hand and power tools
- The legal ability to work in Canada

### What YOU Will Do

- Work with world-leading automated thermal spray technology
- Ensure quality completion of both standard and custom projects
- Solve technical challenges in house
- Lift and carry merchandise as needed, up to 50 lbs.
- Jump in and experience first-hand production of thermal spray technology
- Assist the team with daily tasks, coordination and assembly
- Order processing, filling customer orders for consumables
- Support our worldwide clients through email and telephone support
- Follow all health and safety regulations.

- Other tasks as assigned outside of the spray department
- Collaborate and keep the lines of communication open when working with team members
- Embrace the learning experience and be open to taking on new challenges

### **What's in it for YOU?**

- The Ability to make a difference and build something **extraordinary** with our team;
- The chance to work with leaders who support your development through coaching and managing opportunities
- Getting to work in a dynamic, collaborative, progressive, and high-performing team
- Opportunities to do challenging work
- Opportunities to become an expert in thermal spray technology
- In house training provided

**Note: No financial relocation assistance is available for this position.**

At Mettech, we don't just accept difference - we celebrate it, we support it, and we thrive on it for the benefit of our team, our products, and our community. Mettech is proud to be an equal opportunity workplace.
